

NURSING TIMES SURVEY RESULTS AT A GLANCE

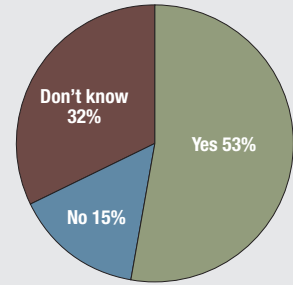

Do you think the EWTD will result in there being more pressure to make clinical decisions?

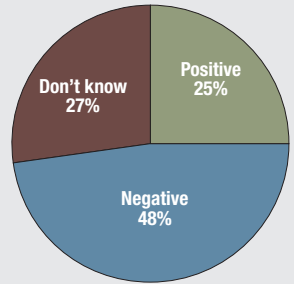

Do you feel equipped with the skills and knowledge needed to advise and guide junior doctors?

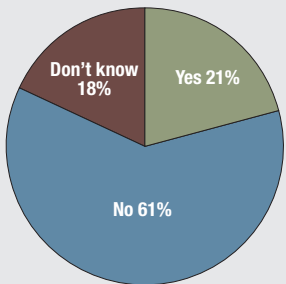

If your trust has introduced EWTD, are nurses doing things previously undertaken by junior doctors?

Overall, what sort of impact do you think the EWTD will have on nursing?

Overall, do you think nursing is ready for the challenge posed by the EWTD?

In what way do you think patient safety will or has been affected by the EWTD?
